WE BEG TO ANNOUNCE that we have been appointed Sole Agents for the sale of the above Patent Tie in Virginia and North Carolina. The satisfaction it gave last season wherever used, warrants us in recommending it as the best tie yet introduced. THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR

FRIDAY, AUGUST 19, 1870.

HOLDEN-KIRK PRISONERS ALL DISCHARGED TO-DAY AT SALISBURY BY JUDGE BROOKS—HON. JOSIAH TURNER, JR., DISCHARGED.

This morning at 10 o'clock, the parties arrested by Kirk & Co., in Alamance and Caswell and Mr. Turner, of Orange, (except those for whom writs were issued by Chief Justice Pearson,) were brought before Judge Brooks, at Salisbury, and on examination, nothing appearing against them, on motion, were honorably discharged.

This news will be highly gratifying to the numerous friends of Hon. Josiah Turner, Jr., and his associate prisoners. The decision is alike honorable to His Honor Judge Brooks and to the arrested parties.

So far so good. But this does not atone for the indignity offered to the offended law, nor for the outrage upon civil liberty in the Old North State, in the persons of her innocent and injured citizens. Never before was the soil of our good Old State, so dishonored, never was right so trampled upon, as in the forcible arrest of the worthy citizens of the State, by the order of Holden and executed by Kirk and his brigands. Had there been the shadow of a shade of reasonable excuse for these arrests, had there been the smell of crime upon their garments, then there might have been some palliation for their arrest, but from first to last, there has been none, nor could any man show before Judge Brooks, even a good military reason for the outrage.

The perpetrators of this outrage, deserve the severest punishment. They already meet with a willing condemnation from the people of the State from Cherokee to Currituck. Henceforth they will be the objects of the scorn and contempt of our whole people. Their names will go down to posterity covered with shame and disgrace. Their infamy will stick to them for all time, never to be washed out by any subsequent acts of their lives. The reasons which prompted their arrest, the manner in which it was effected, and the treatment which they have received from these prosecutors will be recorded in history and remembered when the perpetrators shall have had their full reward.

THE HABEAS CORPUS CASES.

The Governor having graciously made up his mind to allow the execution of the law in North Carolina, which determination was, perhaps, somewhat accelerated by Judge Brooks and his writs of *habeas corpus*, the prisoners for whom writs were issued by Chief Justice Pearson, some four or five weeks ago, (those, it will be remembered, Kirk declared had "played out,") were delivered here yesterday, by the military authorities.

Judge Pearson having been notified by the Governor that he might resume the exercise of his official duties, ordered P. A. Wiley, of Caswell, before him for examination.

L. P. Olds, Attorney General, appeared for the Executive, and Messrs. K. P. & R. H. Battle, Watts and Winstead, for the prisoners. The rest of the prisoners' counsel except Gen. M. W. Ransom, who arrived this morning, were in Salisbury, where it was supposed all the prisoners would be taken.

Counsel for the prisoners, through R. H. Battle, Esq., then submitted the following motion to His Honor:

Hon. R. M. Pearson, } At Chambers,
Chief Justice, &c., } Aug. 18, 1870.

In the matter of the several petitioners of John Kerr, Samuel P. Hill, N. H. Roan, Robert Roan, P. A. Wiley and others, for writs of *habeas corpus*, your Honor having stated in the opinions filed in the several cases bearing date Aug. 2nd, 1870, that your power was exhausted and the said petitioners in consequence thereof, deeming themselves without remedy from the Judiciary of the State, having obtained writs of *habeas corpus* from Hon. George W. Brooks, Judge of the District Court of the United States for the District of North Carolina, returnable before him at Chambers in Salisbury this day, as counsel for the said prisoners, and on behalf of our associate counsel, we respectfully ask leave for the said prisoners respectively, to withdraw their said petitions, and we do hereby abandon further proceedings under the writs, in their several cases.

WM. H. BATTLE & SONS,
Counsel for Petitioners.

The case was then continued until tomorrow morning, Mr. Wiley, in the meantime, considered in the custody of the civil law.

This morning at 9 o'clock the case again came up before his Honor, the Chief Justice, when he delivered his decision that the motion of counsel yesterday, to withdraw the application for the writs was allowed.

The Attorney General then renewed a motion made by him yesterday, to proceed in the examination of the prisoner, on a charge of the murder of John W. Stephens, upon a bench warrant issued by the Chief Justice yesterday.

The question of surrendering the prisoners to Judge Brooks on the writs issued by him was argued at some length by Messrs. K. P. and R. H. Battle in favor, and by Mr. Olds in opposition. We would be glad to give an outline of the arguments, but want of space forbids.

At the conclusion, Chief Justice Pearson read his decision as follows.

STATE OF NORTH CAROLINA, } At Chambers, Aug. 19, 1870.
STATE vs. P. A. WILEY.

The motion on the part of the prisoner to enter a *nolle prosequi, or retraxet* is allowed. The proceeding has taken a turn for which my experience and the labor of the learned counsel furnish no precedent.

1. Upon a "comm n sense" view of the question, I can see no reason why the prisoner, if so advised, should not be allowed to withdraw his application.

2 The Attorney General, anticipating the course that would be taken on the part of the prisoner, had applied for and obtained a bench warrant. This cuts off all collateral questions and reduces the matter to this. If probable cause can be made out on the part of the State, I shall commit the prisoner for trial in the due course of law; if probable cause be not shown, I shall discharge him.

I hope it is not necessary, but from what I see in the newspapers, I think proper to say, 'I enter upon this investigation of the question of 'probable cause' with a single eye to truth and justice."

3. It was said by Mr. Battle of counsel for the prisoner, that upon information I was obliged to take notice of the fact that the prisoner had made application to his honor, Judge Brooks, for a writ of *habeas corpus*, which his Honor had granted. That is true, but I am so entirely satisfied that his Honor has no jurisdiction to pass upon a charge of murder, and to bind prisoners over for trial before the State Courts, that I take the responsibility of proceeding on this bench warrant without fear of any conflict of jurisdiction. The prisoner is now out of the hands of the military and in the hands of the civil authority, and will be dealt with according to law.

Now we have plain sailing: if there be "probable cause" against the prisoner, let the State prove it.

No more need be said about the manner in which the military was organized, or a traverse of the fact declared by his Excellency, that the County of Caswell was in a state of insurrection.

PEARSON, C. J.

The case of Mr. Wiley was then postponed until Monday morning at 9 o'clock, to give time to procure witnesses, for whom subpœnas were ordered to be issued, and a recess taken until 3 o'clock, P. M.

RADICALISM A SYNONYME FOR RASCALITY.

Such has been the proclivity of Radicalism for villainy, hypocrisy and deception, that these have almost become convertible terms, meaning the same thing, only a little more so. Honest and true men, desiring to exercise a judgment of charity for men they have known in former days in a more favorable light, find it difficult to believe the excesses to which Radicalism has gone in corruption, villainy and crime. There is scarcely any length in wickedness to which the Radical leaders will not seem to accomplish their ends. In this State, among Holden and his clique, no extreme to which they go surprises any one, and it is palpable that the leaders about Washington city and elsewhere in the South, are not a whit behind them.

Their late defeat in North Carolina especially, was so unexpected after Gov. Holden's resort to the military to intimidate Conservative voters, that the most desperate resorts will be made to save the party in other States from a similar defeat. But this is not all. Trickery in elections, is not their strong card. Success is their aim at all hazards. If they are beaten fairly at the elections as was undoubtedly the case in the recent contest in this State, they set up a pitcous howl and by falsehood and management enlist all the hyenas of the party, to outrage law and right in every possible way, to secure success.

The last New York *World* contains the following special telegram from its correspondent in Washington city who is generally well informed of political matters:

"Notwithstanding the Democratic majority in North Carolina will exceed many thousands, the defeated Radical leaders are already plotting some schemes to set it aside. A delegation is here in conference with members of the National Republican Committee, and others have passed through to consult with Judge Kelly, Ben Butler, and other mischief making leaders of the Republican party. It is estimated that the effort will be made to contest the seats of four of the five Democratic members elected to Forty second Congress; but, preliminary to that, Holden and others will endeavor to have the State remanded to military rule on some plan similar to that made in the Georgia case. As to the Congressmen, the Louisiana precedent of seating minority candidates on the alleged ground of intimidation is to be urged."

Such a movement disappoints no one.—But little will come of it. The monstrous wickedness of the Radical wing of the party, is grouping the more respectable Republicans in all quarters, to restore the character of the party in order to prevent utter defeat. They will not longer give their countenance to these nefarious schemes.

MILITARY INTIMIDATION.—Gov. Scott, the infamous carpet bag Governor of South Carolina, is arming his negro militia, to defeat the Reform ticket in South Carolina, in imitation of Gov. Holden, in this State. Bullock, of Georgia and Davis, of Texas, are doing the same, and all these Radical Governors declare they have the pledge of support from President Grant. If the Radical legislators of Georgia, South Carolina and Texas, had been as monstrous as in this State, Radicalism will go by the board in all of them. Georgia and Texas we feel quite sure will follow North Carolina in defeating the Radicals. It is almost too much to expect it in South Carolina.

HALE'S EARLY PEACH IN NORTH CAROLINA.—A correspondent at Greensboro', N. C., writing to the *Rural New Yorker*, says of this peach: "It is a decided success for this section. It may be relied on to ripen in June every year. This year it ripened the very last of June, but the season was late. In quantity and quality the fruit compares very favorably. It is three weeks ahead of the Tillottson, which is a tested and established variety here. Have found no indications of the tendency to rot which has been complained of by others."

DR. LEACH'S LETTER TO GOV. HOLDEN.

(CONCLUDED)

LEACHBURG, Aug. 16, 1870.

Pardon the digression, Governor, I had it in contemplation when I started to dispel the doubt upon your mind as to your personal safety. I think I have done it; hence, there will not be a necessity for so wide a digression again or for your bodyguard, and if you have any doubt as to my ability to carry out my promise in good faith, Governor, every honest man in the State will go my surety. But that 17th section, Governor, I am almost afraid to read it to you, but let the worst come.

Sec. 17th. No person ought to be *taken, imprisoned or deprived of his freehold, liberties or privileges, or outlawed,* (Governor listen,) or exiled, or in any manner deprived of his life, liberty or property, but by the law of the land. Governor, this looks something like covering the whole ground at the same time, don't you feel that it is a wholesale condemnation of your course as Governor of North Carolina?—The section foots up, but by the law of the land, what law? Governor, does the law that you swore to support justify your wicked course? Now, Governor, in sober seriousness, I ask you how many citizens of the State have you taken? how many have you imprisoned, deprived of their household liberties, or privileges, or outlawed, or exiled, or, in any way, deprived of life, liberty or property, but by the law of the land?

You will excuse yourself, perhaps, by saying, I exercised the authority under martial law. Let me tell you Governor, the Constitution knows no martial law, above the civil law, as I will prove before I am done with you. Perhaps, Governor, you would like to have the proof just here; well I will refer you to the 21st section of the bill of rights, the latter part in these words, "standing armies, in time of peace are dangerous to liberty, they ought not to be kept up, and the militia should be kept in strict subordination to the civil law." So Governor, if you rely upon martial law for your justification, I have only to say, you have put the cart before the horse. I think Governor, that President Grant, who you have made the scape goat of all your villainy, would find it a hard task to hold you upon your rickety platform, *martial law*, it wont hold water Governor.

Well, Governor, next in order, is the 18th section, I will not insist on your careful and prayerful attention here. I think I have got you chained down by this time so that you can't help lending a listening ear. Governor, if you are satisfied that I have accomplished what I set out to accomplish and I know it, I would not trouble you farther, but, as my mind is not clear on the subject and with all I am a great stickler for finishing up jobs right, perhaps it might not be amiss to say a few words on the 21st section. That, Governor, is a hard nut for you to crack; there is not enough of it to require more than an ounce of good common sense to understand it, so I will write it down for your edification. "The privilege of the writ of *habeas corpus* shall not be suspended."

Now Governor, tell me, tell the people, if this is the peg you expect to hang your justification upon? Governor, you certainly missed, misspelt or more probably left out the little monosylable (not). As I have no means of knowing your views on the subject, or how the mistake occurred, I will not venture an opinion, but there is one thing certain that there is a difference of opinion between yourself, Judge Pearson, and I learn, Judge Brooks and every body else but Governor W. W. Holden. What a pity that there should be such a glaring discrepancy of opinion between W. W. Holden, Governor Holden and everybody else. Read as I write; Governor, here is another trouble for you.

Sec. 18th. Every person restrained of their liberty, is entitled to a remedy to inquire into the lawlessness thereof, and to remove the same if unlawful, and such remedy ought not to be denied or delayed.—Governor, I have almost a mind not to comment at all on this section; if you won't believe what I have already wrote for your edification, I hardly think you would believe Moses, though he were to rise from the dead. Acting upon the principle that it is best to err on the safe side, perhaps I had best make a few remarks by way of inquiry. Have you restrained or caused to be restrained, any person of his liberty? If so, have you afforded them the right to inquire into the lawlessness thereof—have you denied or delayed any person the remedy to establish their innocence or guilt, if you have not then you can plead innocence, otherwise you are guilty, whether you confess it or not, and an impartial constituency will hold you responsible, and that is not the worst, God will hold you responsible also. Governor, hav'nt you almost become ready to succumb—to surrender your opinion out of respect to Pearson, Brooks and public sentiment? If you don't, I shall have to remind you of that dogged pertinacity that has characterized your course through life. Well, Governor, we have gotten through that part of the Constitution known as the Bill of Rights. Now if you will follow me we will go over to the 13th article of the Constitution, 2nd and 3rd sections, like the 21st section of the Bill of Rights, they are quite short and as comprehensive as short. The 2nd section reads in the following words; mark the language, don't mistake the one for the other. I will tell you about the 3rd section after I have done with you on the 2nd.

Sec. 2nd. The General Assembly shall provide (not the Governor) for the organizing, arming, equiping and disciplining of the militia and for paying the same when called into active service.

Now, Governor, permit me to ask you what constitutes the militia of North Carolina? Does the Constitution or laws of North Carolina recognize Kirk or any of his followers from Tennessee as a part of the militia of North Carolina? Does the Constitution or laws of North Carolina recognize volunteers any part of the militia of the State? Does the Constitution or laws of North Carolina authorize you directly or indirectly to exercise any control over any other military force than that of the militia? Does the Constitution authorize or empower you to organize, arm, equip or discipline the militia? Does the Constitution authorize you to pay the militia or any other kind of military force? Surely not Governor. Then, upon what authority have you trampled the Constitution and laws of North Carolina under your feet and defied the decision of the Supreme Court? Governor, you have been guilty of a high handed, tyranical contempt of the Constitution and laws of North Carolina and decision of the Supreme Court, that has no parallel in the history of the United States, for which you should be held to a strict accountability. Governor, the whole story is not told yet, the 3rd section that constitutes you commander-in chief of (what) the militia, for what, to execute the laws, suppress riots or insurrection and to repel invasion. Governor, who has resisted the law? Where do riots or insurrection exist in North Carolina? Who has invaded the State, but Kirk and his followers, whom you are bound to repel under your oath at the point of the bayonet if need be; for the peace and quiet of the State. The fact of his coming here at your request, is no justification on his part, nor excuse on yours, for not repelling him instantly, why? Because you called him here without the authority of the Constitution, or laws of the State and to support his pretentions you have added insult to injury by defying the decision of the Supreme Court.

Governor, I regret the necessity for having said thus much of you and about you. I fear Governor that your comprehension is two blunt, your conscience two elastic to make a safe Governor for an honest people. Instead of obeying the Constitution and observing the laws of North Carolina, you are in open rebellion against both; instead of executing the law you have violated it, instead of suppressing riots and insurrection, you have created the one and fostered the other. Instead of suppressing invasion you have caused the State to be invaded by an unlawful, unconstitutional force from Tennessee.

Governor, what reason have you to render, what apology have you to make to the people of North Carolina for such an unjust, oppressive, high-handed, tyrannical course as the Executive of a peaceable, quiet, unoffending law-loving and law-abiding people. Governor, but for the bluntness of your comprehension on dedepravity of your heart and the elasticity of your conscience, in connection with the fact that you have ascended higher and descended lower the ladder of notoriety than any other man in North Carolina the conclusion with every honest man would be that you are a very unsafe Governor for an honest people.

Governor, if nothing else will appease your wrath, if nothing else will quench your thirst for innocent blood; rather than pull down the temple of liberty, act the part of penitent Judas.

Yours,

J. T. LEACH.

A SUGGESTION TO FARMERS.

A friend has handed the following excellent article from the *Plantation*, which we commend to the special attention of our farmers. He suggests that he thinks the mixture below would be improved by the addition of *ten bushels of crushed cotton seed.* Make your own fertilizer:

A GOOD THING FOR NOTHING—ALMOST.

The following article is republished from the November number, 1859, of the *Southerner*, at the earnest request of many of our subscribers:

Manures that we buy, Mr. Editor, are cruelly dear. I shall be obliged to stop my contributions to the craft. But still, manure we must have, and not of that kind either that it will break a man to transport and distribute. How shall we get it? That is the great question—may I not say the very greatest—involved in our agriculture. I mean in these few lines to give as much practical and valuable experience as I have to offer on this important subject. I state it to be the fact that with 100 head of poultry, and the bed room slops from a family of ten individuals, one may save a barrel of highly ammoniated manure, weighing not less than 275 or 300 lbs., *every week.* Let rich wood and fence scraping, or charcoal from furnaces be mixed as a divisor and retainer for this ammonia, say ¼ of the earth or charcoal to be in the mixture. I now proceed to give a formula that for any crop raised here will prove just as valuable ton for ton as Peruvian guano, which last costs us more than one hundred dollars in currency per ton. If your readers will thank you for this information by extending the circulation of the *Rural Southerner*, I shall feel well paid for what I do. Well, here is the formula:

No. 1—Wood Ashes	3	bushels.
No. 2—Good Rich Earth	20	"
No. 3—Fine Bone Dust	3	"
No. 4—Land Plaster	3	"
No. 5—Nitrate of Soda	40	pounds.
No. 6—Sal Ammonia	22	"
No. 7—Carb. Ammonia	11	"
No. 8—Sulp. Soda	20	"
No. 9—Sulp. Magnesia	10	"
No.10—Common Salt	100	"

Mix together Nos 1, 2 and 3; dissolve in water Nos. 5, 6, 7, 8, 9 and 10. Then add to mixture Nos. 1, 2 and 3 the above solution. Mix like mortar; when thoroughly mixed add No. 4, which will bring to a dry state. No. 5 in this mixture—you can get for 9c. per lb.; No. 6 for 15c.; No. 7 for 21c.; No. 8 for 2½c.; No. 9 for 4c. The other elements going into the compound can be got in this market at fair rates, the whole expense being somewhere about $26 per ton, a slight difference, we would think, between that and the price now paid for Peruvain guano, even if you get it.

JOHNSTON COUNTY, Aug. 18, 1870.

MR. EDITOR: I see the names of several distinguished gentlemen have been suggested to succeed Gen. Abbott, in the United States Senate, viz: Ex Gov. Z. B. Vance, Hon. A. S. Merrimon and A. J. Dargan, Esq. That these are true men with character and talent, every North Carolinian knows. And no one can, for a moment, doubt that if either of these distinguished men should be elected to this high position, he would do all in his power to advance the best interest of the State and of the nation. But, sir, with your permission, I desire to suggest the name of one who stands as high in the affections of the people of the State as any man in it; one whom the people of the State have heretofore chosen to fill the Chief Executive office of the State, the duties of which he discharged with credit to himself and honor to the State;—one who has heretofore represented this State in the Senate of the United States with honor, not only to the State, but to the nation, that man is Ex Gov. Thomas Bragg. That Gov. Bragg is a statesman of genuine integrity of purpose and fine abilities no one will deny.—He is also an able constitutional lawyer, and will, if elected, to the United States Senate, watch and defend the constitutional rights of the people of the State, and of the nation.

E.

IMPORTANT REVENUE DECISION.—In 1869 Secretary Boutwell instructed his custom-house officers to estimate the duties upon imported goods at the value of such goods in the country where they were produced and went into the market, inclusive of the excise tax of the producing country, where that country abates the home excise tax on all goods exported.

A case has lately been tried in the United States District court for the District of Columbia, in which the validity of these instructions of the Secretary was questioned, the judge—Blodgett—deciding that the Secretary was wrong, and that the true basis for estimating the customs duties was the value in the country producing them, in bond, without the excise tax. The principle thus settled is an important one, and largely affects the cost of such goods, as well as the revenue accruing from their taxation.

SALE OF A COTTON CROP.—We notice in our exchanges that a planter in Louisiana recently sold his growing cotton crop at fifteen cents per pound all round, the cotton to be delivered at Vidalia, opposite Natchez. The transaction took place between representatives of substantial business houses and extensive planters.

RADICAL SOLILOQUIES AFTER THE ELECTION.

Gen. Hill in the last *Southern Home* gets off the following *chit-chat.* It is life-like:

Through the kindness of an operator on the Grape-vine telegraph, we are enabled to lay before our readers some of the sayings of the loyalists when the election returns were received.

His Excellency the Kirk Ku Klux Governor said: "The wind has changed; I will support W. W. Holden as the next Democratic candidate for the Presidency, for constable, or anything else." Judge Pearson said: "The power of the Judiciary is exhausted; now I lay me down to sleep." Judge Settle said: "That militia fuss *set* 'im me." Gen. Bolivar said: 'I wish I had them thar spurs. Them Democrats will hang me yit for hanging that thar nigger woman." Windy Billy said: "I will never be troubled with flatulence any more, Them news has tuck all the wind out of me." Infinitesimal Jr pool said: "The ecs-pool of oblivion awai s me." Fetish abbott said: "I will quit fighting duels; pack my carpet-bag and go back to the higher civilization." Billy Clarke said: "For the fourth time I *sheathe* my sword at the bidding of my native State. My body has often been riddled with a million balls, in a thousand battles—but I have got the death wound at last." Judge Tourgee said: "I wish I was safely back in my old cell in the Ohio Penitentiary. These bloody Ku-Klux will never let me get home." Judge Reade said: "Home at last and such a home!" S. F. P. said: "What an unconscionable donkey I was to sell out just when the party was dead bo'k.' Rotating Dick said I will hunt up my old copy of Ariel and prove that the negro is a brute." Gen. W. A. Smith said: "I will not buy the S. C. rail road till I make up what I lost on paying that ——militia." Gen. W. L. Scott said: "No glory for me in a war upon the people of North Carolina. I'd win laurels in France if the Prussians did not shoot bullets." Kirk, the brigand said: "The dear old flag; but for it I would be an unknown black guard."

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual or Stock* Companies, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, and a *privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

Either by I have been requested in the very popular Company which I had the honor to represent to *Special* hope which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, into an *Annuity Bond* which provides an *income to cost through life*, or *for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements, will be made with first class solicitors, to push the Excelsior forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

NEW ADS.—Burke county Supreme Court notice to John A. Hunt, George W. Swepson and N. E. Scales.

Executive Committee of the State Agricultural Society meet on the 23rd inst., at their office for important business.

B. N. Smith advertises to sell county rights of a new patent Spinning Wheel.—We have seen it in operation and like it.

Prof. Moyatt at Ellen's Shoe Store advertises for recruits for the Prussian and French war.

CLUBS.—Our friends are doing good service for the SENTINEL. Our old friend James M. Towles, has just brought us a good list of Semi-Weekly subscribers for the SENTINEL from Edenton, sent by our excellent friend F. L. Roberts, Esq.

WAKE FOREST COLLEGE.—Charles E. Taylor, youngest son of Rev. James B. Taylor, D. D., of Richmond, Va., has been elected assistant, professor of languages in Wake Forest College. Prof. Taylor is a graduate of the University of Virginia. The Faculty of Wake Forest College consists of five professors and two tutors—a large number of teachers for a hundred students, but the University system, the one adopted in this institution—requires more instructors than the old course, it is said.

BAPTIST FEMALE SEMINARY.—Dr. Royall's School, the Raleigh Female Seminary, will open on Monday 22nd inst., in the Exchange Hotel, the Rayner house not being quite ready for the occupation of the school. A large fine basement has been prepared for a dining room. The premises generally have been repaired and painted, and in a short time the seminary will be moved up to this most beautiful place, where we hope it will prosper greatly for many year.

DEATH.—We regret to learn that W. W. Clark, Esq., an old and highly respectable citizen of Newbern, died in that city on Tuesday night last. Mr. Clark was for many years Cashier of the Merchants Bank of Newbern and was a valuable citizen.

The Evangelical alliance which was to have met in New York next month, has been postponed on account of the war in Europe.

INTIMIDATION.—The Conservative Chief of Police in Greensboro, is threatened, because of his manly course at the election.

NEWBERN CELEBRATION.—The Conservatives of Craven county celebrated the great Conservative victory in this State, on Wednesday night last, in a spirited manner. About three thousand persons collected at the place designated, (the flag pole on Broad Street,) and the meeting was called to order. Bonfires of tar-barrels illuminated the space. A stand for the speakers beautifully decorated had been prepared. Capt. J. J. Robinson called the meeting to order, after which the large audience was addressed in stirring speeches by John H. Haughton, Esq., Alex. Justice, Esq., Jas. A. Bryan, Esq., S. M. Carpenter, Esq., and Capt. J. H. Bryan. During the speaking, music, firing of cannon and shooting of rockets, enlivened the scene. The meeting was harmonious and enthusiastic.

FASHIONABLE PERIODICALS.—Mr. T. C. Wood, of the Periodical and News depot, under the State National Bank, has laid on our table, Frank Leslie's Lady's Magazine for September, containing the usual fashion plates and variety of fine embellishments, with fashion, literary and news gossip, &c.

Mr. Wood receives at the earliest moment, Frank Leslie, Godey's Lady's Book, Le Bon Ton, Harper's Monthly and most of the other popular Magazines, and leading newspapers of the day. His polite and accommodating attention to his customers, make it pleasant to call on him.

YOUNG HEADS ON AGED SHOULDERS.—It is no longer a loathsome task to darken gray hair. PHALON'S VITALIA, OR SALVATION FOR THE HAIR, effects the change without any unclean accompaniment. It is a limpid, clear fluid, and has a pleasant aroma. The number of applications determines the shade. No sediment, no stickiness, no darkened bottles!

The Season of Exhaustion.

The close sultry weather which usually prevails toward the end of summer is particularly unfavorable to the feeble and enervated. Even the well-knit frames of strong men feel the influence of the season, and lassitude and languor prevade the whole community. Ladies, especially those in delicate health, suffer much from debility, enenthused by the humid heat, and feel the want of a wholesome invigorant. In fact, a necessity for something to recruit the exhausted system is experienced, more or less, by everybody, and the only question is, what that something is? With those who have tested the efficacy of Hostetter's Stomach Bitters on themselves, or have observed its effects on others, the question will not be in doubt for a single moment. Its tonic and regulating operation, and its agency in creating a healthy appetite and promoting digestion, are rightly classed by all who have resorted to this unequalled vegetable invigorant and corrective, among the most extraordinary therapeutic wonders of modern times. It should be taken at this season as a safeguard against the epidemic diseases which are so apt to attack the relaxed system in the fall of the year.

As it is understood that mercenary speculators in various parts of the country are endeavoring to supersede the standard tonic of the age with worthless articles manufactured by themselves which they represent to be superior to this long tried remedy, it is proper to put the public on their guard against this species of imposition and to warn them against the deleterious trash with which dishonorable dealers seek to drench them.

STOPPING THE U. S. MAILS.—The Greensboro *Patriot* learns from Capt. Davis, Conductor of mail train on N. C. R. R. that in passing Graham station a night or two ago, at the urgent request of a United States officer, checked up to allow the officer to get off, when Lt. Col. Bergen of Kirks-Holdens State Troops, entered the car and Col. Kirk being on board, entered into conversation. Remaining as long as duty would allow, Capt. Davis informed Bergen that his time was out and signalled the Engineer to move on, when Bergen ordered some of his men to obstruct the track, but the train moved on, when Bergen pulled the bell rope, but Davis discovered it in time to go on taking Bergen to Company Shops. Bergen vowed vergeance, but Capt. Davis showed him that he had waked up the wrong passenger. This is a small specimen of the tyranny and lawlessness of Bergen.

The American Colonization Society will, on the 1st of November next, dispatch a vessel with emigrants to Liberia. About 1200 colored persons have already applied for passage, mostly from North Carolina.

The Conservative victory in North Carolina has bulled North Carolina bonds in New York. They have arisen from "47½ and 49" to "52½ and 53."

THE SECRET OF TROUBLES IN THE SOUTH.

Two months ago, the Washington correspondent of the New York *Tribune* wrote the following, which was published in that paper:

"The manner in which partisan telegrams from the South have been manufactured and published in the North, to further the personal designs of unscrupulous and ambitious men was well shown up on the developments brought out in reference to the Washington *Chroniels* during the progress of the recent Georgia investigation. *The same game is now going on* in connection with the internal affairs of *other* Southern States. It is believed that the ENSUING ELECTIONS in the South will result, in some instances, not perhaps in the defeat of the Republican party, but in the defeat of certain individuals who are and have been using that party as a means only to their own selfish advancement. Foreseeing this, the effort is to GET UP AN EXCUSE TO DECLARE MARTIAL LAW, and local newspapers in the interest of the men alluded to are teeming with accounts of "outrages." THIS IS PARTICULARLY THE CASE IN NORTH CAROLINA, and no surprise need be felt at *a daily dish of horrors from that State*, served up in the *Chronicle*; "for," said one of the North Carolina Senators, "WE INTEND TO USE THE MILITARY, and, in *justification, we must get these statements disseminated through the North.*"

Success makes a great difference in determining whether a man is a patriot or a villain. Holden, of North Carolina, feels the force of that. Had he succeeded, the Radical presses were ready to attribute to "excess of patriotism," and, therefore, pardonable, the means he used to carry the State, viz: Martial law, disregard of the writ of *habeas corpus*, arbitrary arrests and military terror. Having, with all his villainous aids, failed, and thereby weakened the strength of the Radical party in the Senate and House of Congress, he is denounced with becoming bitterness by the leading Radical presses. The Devil uses his own sometimes very scurvily.—*Cincinnati Enquirer.*

PARIS, August 18.—Apprehending the enemy intended to cut an important railroad, which would thwart the present French movement, a strong column was dispatched from Chalons and arrived in time to prevent the mischief.

Pietro Bonaparte has gone to Corsica.

The journals are bitter on Austria's neutrality when with barely a hundred thousand men she might have avenged Sadowa.

An English vessel loaded with contraband goods for Prussia has been captured in the channel. The captain said he knew a revolution would occur in Paris and thought the fleet would be recalled, and therefore took the risk.

The Prussian loss around Metz is about forty thousand. The French loss was comparatively small being protected by the fortress.

French troops have reinforced Strasbourg.

The Prussians have no siege trains, and have abandoned the seige of Strasbourg.

The Prussians have retreated to Darsenheim Valley to secure their communication.

Olivier has gone to Italy, since Napoleon has sent his valuables to Italy.

Paliaks stated in the Corps that the Prussians lost fifteen hundred in the regiment at Forsburg.

Gen. Bittott commands the *Garde Mobile*.

Bazaine has again stopped private telegraphing as by this means the news reaches Berlin.

BERLIN, August 18.—The following are details of the Pont-a-Mousson action: The 2nd, attempting to fall back from Metz to Bordon was attacked by the 5th corps and compelled to face about. The Prussians stood firm under the attack of four army corps, among them the National guard. Reinforcements arriving, the French found it impossible to prolong the contest and retired upon Metz, loosing two thousand prisoners two eagles and seven cannon.

The Prussian fleet is daring Britz.

The Schleswig-Holstein encountered a French fleet of four armed frigates off the Rugan Island. The Prussians were repulsed without loss.

The French fleet is now off Dantzic.

An official dispatch from Bazaine says, on Tuesday we gave the enemy battle between Doncourt and Jarnouville, and drove him back; Bivouacked on positions we had taken and took Prince Frederick Charles and Steinmetz before us.

BERLIN, August 19.—The Cabinet declines to guarantee inviolability of the Pontifical States.

PARIS, August 19.—In the Corps Count Paliaks said it was certain the Prussians suffered severely in the late engagements. Their centre, specially crippled, had tried to retreat to St. Michael but were unable to effect a junction with the Prince Royal. A regiment of white cuirassiers was entirely destroyed, French peasant cuirassiers captured a detachment of Prussians.

The following was issued from headquarters, 5 P. M. on 18th: In the encounter of the 16th the corps of Gen. Ladmirault formed the extreme right of the battalion of the 43rd regiment of the line, and destroyed the Prussian lancers, capturing three colors; there have been many brilliant charges; in one of which Gen. Legrant killed Gen. Montigue. The intrepid Prussians Gens. Doering and Wedel were killed; Grounter and Von Sauch were wounded. Prince Albert of Prussia commanding cavalry was killed. The following morning we were masters of the position previously occupied by the enemy. On the 17th several combats with rear occurred near Gravalotte. The forces of the enemy in the battle of the 16th was 130,000. We have not yet exact figures on our losses.

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœa or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dysentery a' Dysentery, Asthma, cures in one night by taking it internally, and bathing with it freely. MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 12th instant inquiring as to the merits of the "Utley Cotton Press" is to hand and in reply I would say that I have tried other Presses and consider the press upon which the *Utley Press* packs cheaper, simpler and more durable than any I have met with.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

92 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,

GENERAL AGENTS,

CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THE LONGER MAKES TO PAY THEM AT ALL; but they DO NOT MAKE TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

We honestly think two boxes of Mehegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and no injurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skil and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
